Yes! I Support SB 810 - Universal Health Insurance for California

We the undersigned call on the Legislature and the Governor to enact Senate Bill 810 (Leno) to provide comprehensive, high quality health insurance for all Californians. SB 810 is based on the following principles:

- **One health insurance plan (single payer) that covers every California resident**
- **High quality care, comprehensive benefits and choice of your own personal doctor**
- **Affordable for individuals, families and businesses**
